# 020 COUNCILLOR VACANCY – advertising & co-option

Cllr J Yeoman had received Katharine Harrod's resignation from the Council since the last meeting after she was offered the role of Clerk to the Council following her application for the post. By email it had been agreed to advertise the vacancy at the same time as notifying SHDC and posting the requisite Notice of Vacancy (in the Gazette and on the Parish Notice Boards).

The Notice was dated 5<sup>th</sup> May 2017. If SHDC confirm that there has been no call (from 10 or more electors) for an election 2 weeks after the date of the Notice then the Council is able to fill the vacancy by co-option. Parishioners have been asked to come forward by the end of May to express an interest in the vacancy. If no election co-option would take place at the next Council meeting.

021 MINUTES OF THE PREVIOUS MEETINGS

The minutes of Annual Parish Meeting and the Parish Council meeting of 19<sup>th</sup> April were agreed and signed, proposed by Cllr Pedrick & seconded by Cllr K Yeoman and voted through unanimously.

**023 INTERESTS** – No interests were declared.

**O24 MESSENGER** – Cllr J Yeoman agreed to summarise the meeting for the next edition of the Messenger.

# 025 MATTERS ARISING (from previous minutes only)

There were no matters arising from the Annual Parish Meeting. From the Parish Council Meeting; The Heartstart course was, in the end, poorly attended due to many no shows from previously booked people. This is disappointing as 8 trainers (volunteers) had made themselves available to the Parish. A letter of thanks has been written to the team involved.

DAAT light – 2<sup>nd</sup> tranche claimed, insured by us for material damage only, liability issues are covered by the MVH, DAAT cover any liability connected with flight.

GYM – this is installed and we are awaiting the Inspectors report, this has been delayed slightly due to a query from the inspector who is dealing with Fresh Air Fitness. SHDC will ultimately insure under the playground equipment, but will not do so until the report has been seen. A message has been left for Gail Allen to follow up as a matter of urgency, in the meantime a sign will be erected and the equipment will be taped off to clearly show the gym is temporarily closed.

It was agreed that the asset would be given in whole to MVH & PFA as an extension of the play area for them to insure etc. in the same manner. The skatepark remains an asset of MPC.

National Trust – Cllrs J Yeoman and Sampson met NT Richard Snow re overflow carpark – agreed position and access, NT need to speak to SHDC, DEFRA, the tenant and the environment agency –should be operational for 2018.

Also, stressed concerns re charging for parking on Bolberry down but this is a Nationwide NT policy – no local discretion.

VAS Sign - the battery and computer is back and the sign will be working again soon.

# 026 POLICE BUSINESS & NEIGHBOURHOOD WATCH:

No police report received.27 COUNTY COUNCILLORS REPORT:

Cllr Gilbert thanked all who supported him in the recent election and looks forward to serving for another four years.

Localities monies commence from Thursday 25<sup>th</sup> May when the council cabinet is formed. Cllr J Yeoman requested a donation from the locality fund in respect of replacement of signage that has been damaged in the Parish. Further details will be provided by the next meeting.

The MPC meetings don't clash with any other PCs in the area and Cllr Gilbert will continue to attend on a regular basis.

Devon County Community Enhancement Fund – another bid needs to go in for 2017/18...but only 50% of contractor work now funded. Debbie Ede has put together a bid to continue with maintenance of the cycle track and access for all path, the bid amounts to £1,100 including £700 contractor costs and £400 expenses.

D. Free Chapter 8 courses are available with a limitation of 3 people per parish.

#### 032 **FOOTPATHS, TREES, GRAVEYARD & ALLOTMENTS**

A. The new access path has now been strimmed back by Jason Stone (Jack was unable to access as his tractor needs a 5' access gate). Jason suggests that: "As the weed growth was pretty bad (cow parsley stems were at least an inch thick) plus lots of harmful hog-weed, I have a suggestion; The stock fence side ought to be weed killed just along the line of the fence to stop the encroaching weeds from the woods (hog-weed mainly), this would only be needed a few times per year. Otherwise the dampness from the very dense weed will decrease the life of the fence posts. Then the rest of the footpath strimmed and mowed every couple of months."

John Yeoman removed 2 stumps so the path is now suitable for top dressing - bark chippings? No decision has been made re the entry/exit to the path from the cycle track. A hand rail is being considered.

- B. The cycle track will be cut again within the next 10 days or so.
- C. Malborough Toilets and cleaning; having been inspected it is thought they are now acceptable the cleaning regime next winter needs to be kept under review.
- D. The allotments are now full.

E. Definitive Map Review – following a query into DCC about our outstanding bid to reclassify the PROW over Furzedown as a bridle path, DCC advise that it is unlikely to be looked at before 2020 when the next cycle of reviews commences.
