057 MESSENGER: Cllr Kendall

058 MINUTES OF PREVIOUS PARISH COUNCIL MEETING:

The minutes of the Parish Council meeting of 21st June were agreed and signed without alteration.

Proposed: Cllr Boyce Seconded: Cllr Pedrick

059 MATTERS ARISING:

- A. VAS sign, now working on the Salcombe Road. Cllr Pedrick questioned why it continues to flash at reduced speeds. Cllr Sampson advised that we do not currently have access to the computer element of the VAS, a new one has been requested.
- B. National Trust, Emma Reece has confirmed that Jacobs Lane will be cut.
- C. Milestone at Pinheys Hill will be given protection from further damage.
- D. The SVRA were contacted re the brambles growing across the footpath on the Collaton Road, the brambles have been removed, other overgrowth remains.

060 POLICE BUSINESS & NEIGHBOURHOOD WATCH:

A. A letter was forwarded to the Devon & Cornwall Chief Constable re protecting the role of the PCSO in rural communities. No response has been forthcoming.

061 COUNTY COUNCILLORS REPORT:

- A. Signposts: A quote for eight signs as per the information provided by Adam Keay has been received from OTM at £734.19 inclusive of VAT, a second quote has been received from DHF Trading Ltd (Newcastle Upon Tyne) at £453.60 inclusive of VAT. We await information re fittings to ascertain final costs.
 - Once the actual costs are available the Clerk will forward a bid for the DCC locality fund.
- B. The percentage schools in Devon rated as Ofsted Outstanding or Good is now 93%, parental preference 1st preference is 95%, 2nd is 99% far higher than national average.
- C. Coombe Down House & Collaton Road drains blocked in addition to drains at Pinheys hill and problems with the drains coming into the village and Well Hill. Clerk to email Adam Keay and reference Cllr Gilbert to advise we are aware South Huish will be having drains attended to and request that Malborough be dealt with at the same time.

- D. Burleigh Lane resurfacing will be dealt with over the course of one day only on 28th July, the road will be closed during this period. This has the approval of South Huish Parish Council.
- E. Luckhams Lane traffic is excessive, particularly at the bottom of the road. Clerk will request a visit from a highways officer to address the speed of the traffic, especially in relation to the increased pedestrian footfall and lack of pavements.
- F. Cllr Pedrick advised that part of the wall opposite Salcombe Garage has fallen, there is a query as to who owns the wall. Cllr Rutherford will take a photograph and forward to Cllr Gilbert to investigate.

062 DISTRICT COUNCILLORS REPORT:

- A. Details of the fly tipping campaign have been received, noted that the second approach is letting people know that the council is watching fly-tipping hotspots.
- B. Portlemore Housing, it has been noted that the affordable housing element has reduced from 16 to 15 properties, this is being investigated.
 - Two options have been provided re the proposed split of properties, Option A: 50% Affordable rent & 50% shared ownership and Option B: 5 social rent, 5 affordable rent & 5 discounted market rate 75% market value in the appraisal in perpetuity.
 - MPC favour option B, however, before a decision is made we will ascertain what the cost of the 75% market value rate would be. Cassandra Harrison will be approached for further details re house pricing for 2 & 3 bed properties, Cllr Pearce will be copied in on all correspondence re the plans.
 - Noted that parking in the area will also be problematic with insufficient parking available on the site. A minimum of 100 spaces was included initially, this has been significantly reduced. Garages should not be included as being a parking space. Parking is required for commercial vehicles and visitors. Malborough Parish Council would also prefer that the properties be managed by Hastoe and will
 - request this in the interests of the parishioners, we also want a local lettings policy which includes Band E applicants.
- C. Bottle bank KH contacted Cllr Wright following a second recent incident of the bank filling up quickly and bottles/broken glass being left around the bank. The enquiry was forwarded to Neil Greenhalgh, Waste Manager (Operations), who was reviewing the situation as previous requests to empty the bin were not logged to their system.
 - The main issue has been mixed waste being left next to the containers. The situation will continue to be monitored.
- D. The new events policy has now been passed, there is now a charge per booking of £55 for any event held on council land. If you want to use a car park you may be charged in the proportion for the number of spaces that would be taken this would vary according to the time of year.
- E. The proposed merger between West Devon and SHDC moves on apace. The SHDC executive take their decision tomorrow which goes to Council in one week. The outcome will be forwarded for consultation which would be held from August until the end of September. The Parish Council believe that a referendum should be held to allow everyone to vote on the issue.
 - The two councils already share certain resources, amalgamation would save further funds, however, residents would have their council tax raised significantly to ensure that the levels of West Devon and SHDC are equal.

Noted that SHDC assets are worth far more than those of West Devon.

Cllr Pearce will ensure that MPC remain updated as to developments.

If a consultation does take place, MPC will ensure that parishioners are all aware of how to ensure their opinions are heard.

- F. The village hall committee are currently working on a project re the parking, 106 monies may be available for this in due course. A reminder will be sent.
- G. We have recently been charged for the annual insurance of playparks, Cllr Pearce advises that this is in line with SHDC procedure.
