MALBOROUGH PARISH COUNCIL

Minutes of Parish Council Meeting;

08 MINUTES OF PREVIOUS PARISH COUNCIL MEETING:

The minutes of the Parish Council meeting of 17th March 2021 were agreed without alteration and will be signed at the next available opportunity.

Proposed: Cllr Harris Seconded: Cllr Harrod and agreed unanimously

09 PARISHIONERS OPEN FORUM (allocated time not longer than 15 minutes, a member of the public shall not speak for more than 2 minutes as per Standing Orders):

Access for All Path Extension:

Representatives of neighbouring properties to the proposed Access for All path phase 2 attended to put forward a solution to the Council with a view to protecting the wildlife corridor and associated protected species that use it.

- There are ten houses along the stretch of the proposed eight-foot path, four being represented today, other properties include one holiday home and one neutral.
An impact assessment has been undertaken showing two potential issues one being keeping people and animals and the associated faeces/urine away, the second being the area concerned is a wildlife corridor including numerous hedgehogs which are a protected species. Species also seen include slow worms and common lizards both of which are protected as well as frogs/toads. Ground nesting birds are currently protected from the brambles etc, none of which would remain if dogs are not prevented from accessing the area.
- Knowing that smaller animals use this area as a wildlife corridor, a suitable suggestion would be to add a second stock fencing which would improve the corridor and habitat. More planting and enhancement could take place to protect from the increased human/canine traffic.
- To further enhance and encourage our wildlife it would be simple to incorporate hedgehog houses and create insect/lizard/slow worm habitats - something the local Forest School would include in their lessons.
- A diagram of the proposed wildlife strip was shown and it was confirmed that Mr Perkins would be willing to collaborate and identify the areas of particular importance.
- The protection of wildlife by a potential second fence would result in an additional cost, an offer was made to fundraise in respect of the increased cost. Mr Perkins would also offer his services for free in respect of moving the bench at the pinch point and assessing the second pinch point.
- A second fence would result in the existing 8ft proposal being reduced to 4-6ft width path and 2-4ft wildlife corridor depending on the area and allowing passing places for two disabled vehicles to pass.
- Noted that whatever the outcome, there will be an increased maintenance cost to the Parish Council for the new path.

The Parish Council agreed that they were unable to make a decision about the proposals at this meeting. They further agreed to consider the suggestions made and to discuss the detail and feasibility of the new proposals with the Village Hall Committee with resident representatives also present at the meeting.

Once a response has been received from the Village Hall Committee it will be discussed at the next Parish Council meeting in June.

10 CLERKS REPORT:

- a. Fireproof Storage: Carried forward to next meeting.
- b. Local Map: We have a local contact for someone who may create a map for us. Further updates to follow.
- c. Cycle Track & Signage: The cycle track sign has been received. The remainder of the path has not been scraped back by Highways, we will request that they complete the works.

MALBOROUGH PARISH COUNCIL

Minutes of Parish Council Meeting;

- d. Village Hall Planning: We are in discussion with SHDC regarding the outstanding information.
- e. Burial Ground: All documents updated as agreed.
- f. 20 is plenty signage: We await delivery of the signage.
- g. Pinneys Hill Inspection Cover: This has now been finalised, Adam Keay has been in regular communication with BT to ensure they actioned the works.
- h. Hope Cove Radar Station & Bunker Meeting: The new owners have requested a meeting with Councillors on 19th May, 7pm. Details of the meeting will be provided to Councillors.
- i. Combe to South Sands Road: Highways are aware of the potential issue with large vehicles causing the road to break up in certain areas, they are continuing to monitor the situation on a regular basis.
- j. Annual report from Malborough with South Huish Primary School attached. **See Appendix B.**

11 COUNTY COUNCILLORS REPORT:

- a. The past year has been dominated by Covid-19 for DCC as it has for all of us. I have sent you various weekly reports updating you on the situation which I hope you have found helpful.
- b. A 379 traffic lights and road works are ongoing, but hopefully all work will be completed soon. Edmeston looks to be near completion.
- c. Silverhill flooding.....We are awaiting CCTV film footage. The PC were asked to confirm if the area continues to flood.
- d. 2021/22 will prove financially challenging for DCC post covid with an emphasis on helping the economy get back on track.
- e. Post lockdown for coastal communities will create stresses this summer for local residents, with a quite probable larger than normal influx of visitors. DCC will do all it can to help, alongside SHDC.
- f. We had scaffolding issues this year and we hope hoping that lessons learnt will be applied in future.
- g. Cumber Close yellow lines. After consultation, it was found to be challenging to assess the need and find a mutually acceptable way forward.
- h. Springfield driveway, I gave £1,000 from my Locality Allowance to assist in the repairs, which are soon to be progressed.
- i. I gave £1,000 from my locality allowance towards the village hall window repairs.
- j. Cycle track to Salcombe. The plough has cut back most of the sealed path with a £500.00 contribution from my Locality Allowance

If you do not have internet access, please contact the Clerk on 07704 941150

12 DISTRICT COUNCILLORS REPORT:

- a. Supersaver recycling service: there have been problems with the introduction of this service. Either containers have been delivered and the access is too narrow for the current operating vehicles or containers have not been delivered to some areas which should have them. It seems that from this weekend, at least one narrow vehicle is now on the road, so we hope the boxes left out will be collected soon, but this may not be until the next official collection day. If this still doesn't happen, then the failure to collect MUST be reported in online the NEXT DAY. Please ask anyone with a missed collection of containers or bags to copy Cllrs Long or Pearce in so it can be followed up.
- b. Business Grants: Notification has been received from BEIS (Government department responsible for the Business Grants) that they are extending the deadline for all the Local Restriction Support Grants and Closed Business Lockdown Payment schemes until Friday 14 May, but applications need to be in by 7 May. The Business Grants team are also working on the Restart Grants and will be working over the Bank Holiday weekend to get as many of these through as possible (the relevant fraud checks need to be made before payment). The first payment run is scheduled to be on Tuesday 4th May. As of 3rd May, we have 1,086 applications for South Hams, with 87 already authorised for payment totalling over £1.38m.
- c. Motorhome parking: a three-week consultation online has opened re the proposal to allow motorhomes to stay overnight on some council car parks, maximum two consecutive nights, camping cars and motorhomes must have full on-board facilities. This is a pilot for this summer to see if by regulating the situation we can avoid some of the anti-social behaviour experienced last summer. Cornwall and East Devon have been operating schemes for some time. Full details on the SHDC website, type motorhome consultation in the search box.
- d. Locality officers are working seven days a week covering 12-13 hours a day and there are extra crews emptying litter bins and generally trying to keep the street scene clean. Please report any problems to a locality officer if you see one or let Cllrs Pearce or Long know.
- e. Remote meetings: it is disappointing that the High Court determined legislation would be required for these to continue. Hopefully parish have now found a way to get round the problems until things open up at the end of June. We are still trying to find a satisfactory solution at South Hams, but will have to hold at least our Annual Council in Tavistock where their council chamber is big enough for social distancing and has an outside air supply – neither of which obtain at Follaton House. Other meetings are still under review.
- f. Leisure Centres: Indoor groups and classes will recommence on 17 May. Learn to swim classes are now being held again – really important for children in a coastal area.
- g. Parish funding: South Hams has made £100k available for parishes as an 'opening up' offer, particularly for tourist areas. More details will be available very soon.

It takes two minutes to report a problem, please help keep our community beautiful
