161 POLICE BUSINESS & NEIGHBOURHOOD WATCH:

The police have advised that issues in the village at this time are anti-social behaviour at both Lower Town and the playing fields/skate park.

This afternoon a Misuse of Drugs Act warrant was executed at an address in Malborough. This was in response to community concerns and intelligence about possible drugs supply in the Kingsbridge area.

A quantity of Class A drugs were located; a male is currently in custody assisting police with the investigation.

This was a joint operation between Kingsbridge Officers and the South Devon pro-active team. If you have any information about drugs then please call Crimestoppers on 0800555111. Your call will be treated in confidence.

162 COUNTY COUNCILLORS REPORT:

- A. 20mph speeding restrictions are being reviewed.
- B. Fine evaders are being reviewed (those with three or more fines outstanding) the outcome will be removal of the offenders vehicle.
- C. Road work permits will be issued for utility companies the company will buy a license for works at a cost per day with cheaper permits available at night. Works running over will have to purchase a further license.
- D. Pavement parking to be reviewed, fines will be given if the criteria comes through. Cllr Gilbert was requested to consider an evening parking enforcement officer which could well prove to be cost neutral.
- E. SCARF (Speed Data Analysis) a speed data analysis has been ordered by Adam Keay for Collaton Rd and the two sites as before (entry/exit from village). Data devices have been installed in the village, no further information has been received from the Data Team.
- F. Townsend Cross, the patching of the hole at Townsend Cross was poor, Adam Keay advises that it's not a great job but the Routine and Reactive Teams are unlikely to come out again.
- G. Vicarage Corner and Higher Town also in need of repairs. Vicarage Corner still requires attention. The hole in Higher Town was repaired after a parishioner incident this brought to light the fact that no potholes were showing as having been reported at this location which is not the case. This is now being investigated. ACTION: Clerk to report Vicarage Corner again
- H. Traffic Regulation Orders can the 30mph road markings be put in where the 30mph limit is yes, but there are no resources to do so. Cllr Gilbert advised MPC to request a price from Highways and we'll find a way to achieve this. The signage will not be moved further out of the village as there are parishioner concerns re visibility if this were to occur. ACTION: Clerk
- I. VAS It transpires that our previous VAS system was not approved by DCC. Furthermore, Cllr Sampson has been advised that DCC do not accept Speed Indicator Devices (SIDs) and further investigation has proven that other Councils have purchased and installed non-approved systems. Neil Oxton from DCC has provided poor information to date and has been unable to provide a full

list. Cllr Gilbert will talk directly to Chris Rook (Head of Enforcement) and Neil Oxton re the situation. **ACTION: Cllr Gilbert**

- C. Great Park Awaiting Hastoe response

You can buy tickets for multiple or single causes. 50% of your ticket price goes to the charity you are supporting, 10% goes to the Council's good cause fund, for them to distribute to local good causes not signed up to the lottery, and 20% goes to Gatherwell to cover running costs.
